Equity Corner

The Dufferin-Peel Catholic District School Board (DPCDSB) continues to be dedicated to establishing a culture of respect and belonging that fosters safe and inclusive learning environments which are in compliance with the Ontario Human Rights Code. We sincerely believe that this needs to be done in collaboration with family and community members. Recognition of the human dignity of each person, created in the image of God, forms the foundation of equity and inclusive education. As a faith community we have the duty to examine all language and we must always be attentive and responsive to times when harmful or offensive words enter our learning spaces. **The DPCDSB expectation is that the n-word or any of its derivatives is never to be said or written within learning spaces and any instances of its use will be appropriately and immediately addressed in order to prioritize student, staff and community safety.**

The collective goal is to create spaces that are safe and free of words that are rooted in racism and hatred. The DPCDSB believes that those who are directly impacted by the use of this work are the voices

that must be centered. Staff will consider a variety of contextual information when responding to instances of the usage of this word.

Students of all ages are being exposed to this word in a variety of contexts and as such we would ask that you enter into age appropriate conversations with your children surrounding the expectation that the n-word is not to be said or written within learning spaces.

In our efforts to maintain safe and inclusive educational learning spaces we are sharing this information with parents/caregivers to encourage continued dialogue surrounding this expectation. Together, we can continue our collective work in strengthening a community that models kindness, values compassion, and fosters educational spaces rooted in our Catholic Social Teachings.

St. Vincent de Paul Society - Christmas Support

Dear parents and students,

I hope that this email finds you well. This year has been moving so quickly that it is hard to believe that we have just celebrated Thanksgiving with our families and loved ones. As we start to approach the blessed season of Advent for 2024, I'm taking this opportunity to thank you and your entire community of educators, administrators, students and their families for being such generous supporters over the years. Once again, the Society of St. Vincent de Paul at St. Ignatius of Loyola parish will be hosting their annual Christmas Gift Drive for our neighbours-in-need within our community. Over the years, your assistance has been able to afford our less fortunate members that special Christmas meal around the family table, or that special gift under the tree for loved ones on Christmas day. The ever-increasing cost of living has affected all of us and none more than our most vulnerable, the neighbours-in-need that we serve. More and more families are reaching out for assistance as they struggle with the choice of feeding their families or keeping a roof over their heads. This year St. Vincent de Paul would like to give the families we serve a Christmas food voucher that will assist them in providing a special Christmas dinner. When it comes to fundraising initiatives, our ministry appreciates that circumstances may continue to make it difficult to engage the school community in traditional fashion.

4 - The society has pivoted towards an on-line donation portal which can be accessed at <https://www.canadahelps.org/en/dn/53987> as well as continuing to accept cash or cheque (payable to Society of St. Vincent de Paul) donations.

As a CRA registered charity, donations over \$25.00 will be eligible for tax receipts. All we ask is that you indicate the cause in the comments box on the portal (eg. for Christmas Gift Drive from All Saints

school). The society is always happy to accept donations as can be afforded at any time through the year but most especially at Christmas. Help us to feed at least one of our most vulnerable neighbours-in-need.

Catholic School Council

Thank you to those who have given of their time and talents to support this year's Catholic School Council.

Our next meeting will be held on **Monday October 28 at 7:00pm** in the school library. All are welcome to attend meetings. If you wish to join virtually, please contact the main office to receive the link.

If you have concerns or suggestions you would like the council to discuss, please speak to one of the council members directly or email the school at ALLSTCSCInfo@dpcdsb.org.

Catholic Education Week Prayer

The new school year offers us an opportunity to reflect upon our personal, academic and spiritual growth and to set some new goals.

The theme chosen for the upcoming 2025 Catholic Education Week is:

Catholic Education: *Pilgrims of Hope*

"We must fan the flame of hope that has been given to us."

Catholic Education Week is held each year in May in our 29 Ontario Catholic school boards. It will run from May 4 – May 9, 2025.

By living as peacemakers – Vivent en artisans de paix

God of love,

You sent your Son, Jesus to show us how to be peaceful people.

We pray for peace in our world, peace in our relationships and peace in our hearts.

Jesus, Prince of Peace, where there is conflict and tension, show us the way to be peacemakers and peace-givers.

Help us to speak with words that calm and heal.

As pilgrims of hope, may your peace be the path we walk, and the goal toward which we journey each day.

We ask this, God of peace, in the name of Jesus, our Lord.

Amen.

Virtue for October

Each month we celebrate a virtue. The Virtue for October is Empathy.

Judge your neighbor's feelings by your own, and in every matter be thoughtful. (Sir. 31:15)

Elementary: God wants us to care about everyone's feelings.

From the perspective of the Catholic Graduate Expectations, an empathetic person...

- Is confident in the dignity of selves and others
- Believes that the cross is the ultimate sign of forgiveness
- Seeks and grants permission

Our Daily Prayer for October:

Let us now pray for the grace and strength to be people of empathy

People who can really identify with

and feel the concerns of those around us.

AMEN

LET'S TALK ABOUT VAPING

Kids listen more than you think. Caring adults have an important role to play in helping kids make decisions about their health such as vaping. Teens say parents are the biggest influence in their lives.

VAPING IS NOT HARMLESS

Some risks for kids:

- Addiction to nicotine
- Difficulty learning and reduced impulse control
- Increased anxiety and stress
- Lung damage and changes to how the brain grows and develops

Young people who vape are more likely to start smoking cigarettes and try other drugs.

SIGNS OF VAPING

Fruity smell

USB-like device

Bloodshot eyes

Conceal up sleeve

White smoke

TALKING EARLY AND OFTEN IS ONE OF THE BEST WAYS TO KEEP KIDS VAPE-FREE

TIPS FOR TALKING ABOUT VAPING

Ask questions and listen more than you talk

Ask open-ended questions and restate what you hear. Ask:

"What do you think about vaping?" or "So it sounds to me like..."

Create a safe space

Be open, non-judgmental, caring and understanding. Say something like:

"Of course, I hope you avoid vaping, nicotine addiction is hard and I don't want that for you; but that would never change the way I feel about you."

You don't have to be an expert.

Be honest if there's something you don't know and take opportunities to learn together. Say something like,

"I don't even know how much nicotine is in vapes; we'll have to Google that."

Practice skills

Plan and practice what they could say to their friends. They could say:

"I'm sure there will be kids vaping at this party; have you thought about how you might avoid that pressure?"

Keep checking in

Kids' experiences and pressures are always changing, so keep talking. For example:

"I've heard that kids are vaping more since COVID started. Have you noticed any change since returning to school?"

Timing is important

Look for opportunities when you have their attention. For example when picking them up from school:

"I've noticed quite a few kids vaping out front lately - what's up with that?"

WHY YOUTH VAPE

YOUTH SAY THEY VAPE TO DEAL WITH STRESS, BUT THE TRUTH IS VAPING CAUSES MORE STRESS!

The high levels of nicotine in a vape affect the developing brain leading to feelings of stress, anxiety and depression.

Nicotine addiction increases stress hormones

This can create stress:

In relationships: Hiding vaping behaviour from family & friends can cause stress

At school: Nicotine impacts memory, concentration & the ability to learn

With money: The amount of money spent on vaping products can cause stress

HELP YOUR KIDS BE VAPE FREE! TALK ABOUT HOW TO DEAL WITH STRESS AND WAYS TO RESIST THE PRESSURE TO VAPE.

WAYS TO DEAL WITH STRESS

- Listen to music.
- Talk with a friend or other trusted person.
- Go for a walk or choose your favourite way to get moving.
- Have a shower or bath to relax.

HOW TO RESIST THE PRESSURE TO VAPE

Delay answering:

"Can't right now, I'll meet up with you later."

Suggest something else:

"I don't want to right now, wanna play some ball?"

Make a joke:

"Thanks, but I'm already addicted to air!"

Attention Schools/Parents/Guardians:

STOPR has been piloting the Chipmunk School Bus Tracking Application since April 2023. We thank everyone that took part in this pilot program and your feedback has proven extremely helpful in the application evaluation process!

Our in-depth evaluation of the Chipmunk application has concluded that it does not meet STOPR's performance standards and expectations.

Therefore, STOPR will not be continuing the Chipmunk pilot program come September 2024.

We believe in providing tools to enhance the transportation experience and will continue to investigate new and exciting applications that bring value to our school and parent communities.

Sincerely,

The STOPR Team
