Important Information

Kiss 'n Ride and Fire Route Lane

Parents are reminded that there should not be cars parked in the Fire Route/Kiss 'n Ride Lanes in the morning or after school, including for PLASP drop offs and pick ups. It is an emergency lane and families are walking across the driveway to get to their vehicles. It is dangerous when families are trying to walk through cars to get across and thru traffic may not have visibility. In addition, as the snow increases, snow banks may also impede traffic and parked cars can be a hazard. Please park your cars on the road instead.

Thank you for your support.

3 - Winter Weather

Wet, **W**indy, **W**intery **W**eather is upon us! Students are asked to have a pair of indoor shoes that can be kept at school, along with an extra pair of gloves, mitts, or other winter apparel. An extra set of clothing goes a long way, especially in the primary division. Please also consider labeling your child(s) clothing so that we can return any lost items to them.

At school, we will continue to encourage students to bundle up and we also will continue to provide reminders of snow etiquette in play. Please support our efforts, reminding your children at home that snowball throwing is not permitted. We also ask students to stay off icy areas and to report them, in order to prevent unnecessary injuries. Our messaging to students and in the name of kindness is that any snow structures (snow figures or fort) made by their peers are to be respected and students should refrain from intentionally breaking them. As such, we appreciate your support in reinforcing this message.

We are excited to have students engage in ***SNOW-much*** fun this winter season at All Saints school!

Class Photos

Please be advised that Class Photos will be available for purchase through Edge Imaging in January. Notices will come home in January with instructions on how to order. Stay tuned!

Equity Corner

Language

The Dufferin-Peel Catholic District School Board (DPCDSB) continues to be dedicated to establishing a culture of respect and belonging that fosters safe and inclusive learning environments which are in compliance with the Ontario Human Rights Code. We sincerely believe that this needs to be done in collaboration with family and community members. Recognition of the human dignity of each person, created in the image of God, forms the foundation of equity and inclusive education. As a faith community we have the duty to

examine all language and we must always be attentive and responsive to times when harmful or offensive words enter our learning spaces. **The DPCDSB expectation is that the n-word or any of its derivatives is never to be said or written within learning spaces and any instances of its use will be appropriately and immediately addressed in order to prioritize student, staff and community safety.**

The collective goal is to create spaces that are safe and free of words that are rooted in racism and hatred. The DPCDSB believes that those who are directly impacted by the use of this word are the voices that must be centered. Staff will consider a variety of contextual information when responding to instances of the usage of this word.

Students of all ages are being exposed to this word in a variety of contexts and as such we would ask that you enter into age appropriate conversations with your children surrounding the expectation that the n-word is not to be said or written within learning spaces.

In our efforts to maintain safe and inclusive educational learning spaces we are sharing this information with parents/caregivers to encourage continued dialogue surrounding this expectation. Together, we can continue our collective work in strengthening a community that models kindness, values compassion, and fosters educational spaces rooted in our Catholic Social Teachings.

Catholic Education Week Prayer

The new school year offers us an opportunity to reflect upon our personal, academic and spiritual growth and to set some new goals.

The theme chosen for the upcoming 2025 Catholic Education Week is:

Catholic Education: *Pilgrims of Hope*

"We must fan the flame of hope that has been given to us."

Catholic Education Week is held each year in May in our 29 Ontario Catholic school boards. It will run from May 4 – May 9, 2025.

By living as peacemakers – Vivent en artisans de paix

God of love,

You sent your Son, Jesus to show us how to be peaceful people.

We pray for peace in our world, peace in our relationships and peace in our hearts.

Jesus, Prince of Peace, where there is conflict and tension, show us the way to be peacemakers and peace-givers.

Help us to speak with words that calm and heal.

As pilgrims of hope, may your peace be the path we walk, and the goal toward which we journey each day.

We ask this, God of peace, in the name of Jesus, our Lord.

Amen.

Virtue for January

Each month we celebrate a virtue. The Virtue for January is Self-Control.

Like a city breached, without walls, is one who lacks self control (Prov.25:28)

Elementary: God wants us to do what we know and feel is right.

SELF-CONTROL helps us to resist the temptation to do something that we will regret or may cause harm to ourselves or others. By disciplining our thoughts and actions, we resist reacting negatively to pressures from within ourselves or our surroundings, and act in a way that we know and feel is right. Developing loving habits helps us to respond positively to others in the actions and choices we make. Each time we exercise self-control, we show our love for God and make way for peace in our lives.

Self-Control is regulating your thoughts and actions so that you stop any pressures from within or without and act the way you know and feel is right. Developing loving habits helps us to respond lovingly to others in our choices and actions. God wants us do what we know and feel is right.

A person with self-control:

- is patient and can think things through
- knows how to wait his/her turn
- can calm him/herself down and think before reacting to situations
- knows how to avoid physical aggression (hitting, kicking, pushing, etc.)

Our Daily Prayer for January

Let us now pray ...

for the virtue of self-control

so that we will resist the temptation

to cause harm to ourselves and others around us.

AMEN.

Transportation

Winter is fast approaching and it's important that everyone riding a school bus is familiar with STOPR's inclement weather and cancellation procedures.

As part of these procedures, the Region of Peel has been divided into three weather zones as weather conditions may require cancellation in a specific zone or zones. STOPR will monitor weather and road conditions and when it is necessary to cancel transportation due to inclement weather, STOPR will cancel by "weather zone." (i.e., Zone 1, Zone 2 and/or Zone 3).

How do I find out what weather zone my school is in?

It is important that all families know what weather zone their school is assigned to. You can find a weather zone map and weather zone descriptions on this page.

A complete list of schools and assigned weather zones can be found on our [Weather Cancellations](#) page.

Parents can also log into our [Parent/Student Portal](#) to access their children's' busing and weather zone information.

How are Weather Cancellations Communicated?

School bus cancellations will be communicated by the appropriate weather zone number prior to 06:00am each morning through the following:

1. STOPR X account [@STOPRInfo](#)
2. On the STOPR [Delayed Buses](#) webpage
3. On school board websites – [dpcdsb.org](#) and [peelschools.org](#)

What if I live in a different weather zone than my school?

Most families live within their school's weather zone.

For families who happen to live outside of their school's weather zone, they should review the STOPR weather zone map and confirm what zone their home address is located within.

On inclement weather mornings, these families will need to monitor the [STOPR website](#) for both their "school weather zone" and "home weather zone" for cancellations.

For families who live outside their "school weather zone," their transportation will be cancelled if either their "school weather zone" cancels or their "home weather zone cancels."

Zone #1: The City of Mississauga
Zone #2: The City of Brampton **South of Old School/Healey Road
Zone #3: The Town of Caledon **North of Old School/Healey Road

School bus winter safety tips to help keep your children safe:

- ✓ Make sure children are dressed appropriately for cold weather as unexpected mechanical problems with a school bus can occur.
- ✓ Know your bus pickup time in the morning and always arrive at your bus stop at least 5 minutes early. Allow extra time to get to your school bus stop during the winter months.
- ✓ Parents/Guardians are responsible for the safe conveyance of their children to and from the bus stop location.
- ✓ Kindergarten and grade one students must always be accompanied to/from their bus stop location.
- ✓ Kindergarten and grade one students must always be met at the bus stop at the end of the day by a parent/guardian or caregiver.

A friendly reminder to the families of students who are requiring the service of a wheelchair bus, your driveway must be kept cleared of snow and ice to avoid a disruption in the service.

What should you do if your bus is late or cancelled?

It is important to talk to your children about what to do if their school bus is delayed or cancelled on inclement weather mornings.

Do your children have a plan if their bus does not arrive?

Do your children have an emergency contact person?

(i.e., neighbour, friend, relative etc.) who they can call or go to if their bus is delayed or does not arrive to pick them up in the morning.

Bus Route Numbers:

All STOPR bus routes have an assigned route number. This number will be displayed in the side window of your bus.

It is important that you know your child's bus route number, not only to ensure your child is boarding the correct bus each morning, but you will also need the route number when you check for delay or cancellation info on our website.

For more information on STOPR's inclement weather procedures and weather zones, please visit our website at [stopr.ca](https://www.stopr.ca) and click on "Inclement Weather."

STOPR encourages all parents to set up an account on [stopr.ca](https://www.stopr.ca) to access their children's bus information and receive automatic delay and cancellation alerts. As a subscriber, you can receive alerts by email or SMS text message. For more information on how to subscribe to alerts, please visit our [Subscribe for Alerts](#) page.

Attendance Verification

It is important for students to be at school on time and ready to work. When students are late they miss important information and routines. We realize that throughout the year there will be times that your child will be away from school.

SafeArrival is an application within SchoolMessenger that will allow parents/guardians to report their children's absences in one of the following three ways:

- SchoolMessenger App
- SchoolMessenger website <https://go.schoolmessenger.ca>
- Toll Free number 1-844-435-3440

What is SafeArrival:

- SafeArrival is an absence management system that improves student safety.
- It supports school staff to follow up on unexcused absences.

- It allows parents and/or guardians to notify the school in advance about an upcoming absence.

Benefits:

- Better Attendance Management for Enhanced Student Safety
- Faster and Easier Attendance Management
- Simplified Parent Reporting Tools
- Accessible, Convenient and Secure
- Automated Key Tasks With SafeArrival Administrative Tools

In the event that your child is late or absent, please use one of the three ways to access Safe Arrival.

Students who arrive late to school must proceed to the office to get a late slip.
