Grade 3 Swim to Survive Program

Beginning in May our Grade 3 students will once again have the opportunity to participate in the Swim to Survive Program sponsored by the City of Mississauga. Students will experience one-hour in pool lessons on May 1, 8 and 15. Students will learn to:

- ROLL into deep water
- TREAD water for 1 minute
- SWIM 50 metres

Permission forms were sent home this week. If parents are available to volunteer to support with drying hair and supervising in the change rooms, please let your child's teacher know. We appreciate your support.

Additional parent resources regarding the program can be found [here](#). There are also Family Swim to Survive Programs available. Please click on the [link](#) for more information.

Free for students in Grades 4 - 8
Dates: July 8- 29, 2025
Time: 8:30 a.m. - 3:00 p.m.
Location: Ascension of Our Lord

This in-person summer camp for DPCDSB students in grades 4-8 will provide leadership programming that focuses on a variety of skills through music, visual arts, poetry and dance. Each day begins with a dedicated focus on literacy. Numeracy is embedded throughout the daily activities. The camp will include faith-based programming and daily sessions that will work to create a positive and reflective self-image while having fun using arts-based tools of education. The camp will engage and empower youth through artistic expression to be role models and leaders for their communities. Each week, students will have presentations from professional artists and community members representing a variety of art forms and skills. Through interactive workshops these individuals will share their unique gifts and talents with students and give students opportunities to develop and practice the related art form and skill. The camp will also have additional support from a variety of service providers who will offer weekly energetic programming that will get students active and engaged in learning.

Jump Rope for Heart

This Spring, All Saints is participating in Jump Rope for Heart — an event that will encourage our students and their families to get active, build healthy habits and give back to our community. Now that we have had our kick-off assembly to outline the reasons *why* we're participating in Jump Rope for Heart on Wed. May 14th, families are encouraged to register online over the next few weeks and try to raise some money for the Heart and Stroke Foundation.

Please use the [school link](#) to create your own fundraising page.

There are incentives for our school to reach our goal of \$3000, such as individual gift cards for students who register their own page online and raise a certain amount of money, an extra-long recess on a beautiful day in May, and earning 5% of our fundraising dollars to put towards our Physical Education equipment room. Join our school to help Heart & Stroke save lives!

Virtue for April

Each month we celebrate a virtue. The Virtue for April is Love.

"Love your neighbour as yourself." (Mark 12:30-31)

Elementary: God wants us to serve and to see goodness in everyone we meet.

God has given us many people in our lives to show us examples of LOVE. Our families, teachers, and friends show us their love everyday. Love can be seen in the simplest acts of kindness, such as sharing a pencil, playing a game, or even by saying "thank you". We should always show our love for others because love is about seeing the good in people even when they make us angry. Sometimes the greatest acts of love happen when we are angry, such as not hitting our sibling back or not screaming at our friends. Jesus is always with us and we should always try to

remember His most important lesson, the lesson of love, because love is not about us – it is about looking out for the good of others.

A loving person...

- wants the best for others
- is willing to make sacrifices for the good of others
- knows that we are all lovable
- prays for others

Our Daily Prayer for April

Let us now pray ...

for the virtue of love

so that we will never be satisfied

until all are satisfied.

AMEN

April 2025 School Health E-Blast from Peel Public Health

What you'll find in this edition:

For Parents and Guardians

- Measles in Ontario
- Good Oral Health Habits start early

Measles in Ontario

For Administrators, School Staff and Parents/guardians

Measles cases are rising in Ontario and worldwide. Symptoms include fever, cough, red eyes, and a rash. Measles can cause serious health problems like pneumonia, brain swelling and even death.

The best protection is vaccination. Make sure your family is up to date, especially before traveling. Talk to your doctor to get vaccinated and protect your family with other important vaccines.

Stay home if you're sick

Make sure you or your child has no fever and feels better for at least 24 hours (48 hours if they had nausea, vomiting, or diarrhea). If you or your child still has a cough, runny nose, or other respiratory symptoms, protect others by wearing a tight-fitting mask for 10 days after symptoms begin, especially in public places and at gatherings.

If you have health questions:

- Call Peel Public Health at 905-799-7700 or 1-888-919-7800 (toll-free).
 - Call Health Connect Ontario at 811 (available 24/7 in multiple languages).
 - Talk to your healthcare provider.
-

Good Oral Health Habits Start Early

For Parents/Guardians with students up to Grade 5

As a parent, you have a key role to play in supporting your child's oral health.

Are you finding it hard to get your child to brush their teeth?

Make toothbrushing fun in your house! Try these tips:

- Use a monthly brushing chart.
- Use a two-minute timer.
- Pick a fun new toothbrush for your child.
- Play your child's favourite song while they brush.

Image Description: A mom and child smiling

Let your child watch you brush your teeth to help teach them good oral health habits. A healthy smile is a happy smile! Oral health is an important part of a child's overall health.

Encourage your child to:

- Brush teeth at least two times a day for two minutes each time. Floss every day.
- Visit a dentist regularly.
- Choose healthy food. Drink water.
